Mission

It is our belief at Immaculate Conception that each child is a special gift from God, born with unique talents and abilities. It is our job as teachers to nurture these talents and abilities so that our students will grow and become all that God wants them to be and be prepared for the future.

It is also our desire to partner with the parents of our students in order to provide assistance, support, and insight into their child's development. Our school promotes the development of self-confidence in each child within an atmosphere where physical, social, emotional, intellectual, and spiritual development will occur.

Vision

Immaculate Conception Catholic Schools envision our students achieving personal success and spiritual growth through active participation in the Catholic Faith and appreciation for their heritage.

Philosophy

We strive to instill in our students a love of God, respect for their heritage and a thirst for knowledge. We provide our students with the highest academic education and a thorough instruction in the Catholic faith. We offer the opportunity for a firm base in Ukrainian language, history and culture.

The school is under the special patronage of Our Lady the Blessed Virgin, in Her particular privilege of the Immaculate Conception.

Spiritual Direction

Immaculate Conception Catholic Schools is a private co-educational school directed by the religious order of Saint Basil the Great. The priests from both Immaculate Conception Ukrainian Catholic Church and St. Josaphat Ukrainian Catholic Church are available for both group and individual guidance for the students.

Administration and School Board

Ultimate authority for the school is vested in the pastors of the Immaculate Conception and the St. Josaphat Churches with the School Board serving in an advisory capacity. The principal is responsible for the review and formulation of policies relevant to the academic program and all aspects of the educational process in consultation with her staff and faculty. The principal reports to the pastor administrator.

Policies and Procedures

An educational institution requires an atmosphere where good order is maintained for effective learning to occur. The guidelines that follow in the parent-student handbook have been designed for this reason and require cooperation between principal, assistant principal, faculty, parents and the student body.

AT A GLANCE: SAFE ENVIRONMENT TRAINING RECERTIFICATION AND NEW TRAINING

*The best approach to addressing abuse is
to prevent it from occurring in the first place.*

The Archdiocese of Detroit has updated its Safe Environment policies. For compliance, adherence to these policies is required in every office, parish, school, and Catholic agency within the AOD to protect – especially – children and vulnerable adults from sexual abuse. Requiring all volunteers and employees to take the training empowers more men and women to know the warning signs and helps them become part of the solution of preventing abuse. Running background checks for ALL employees and volunteers can help deter criminals and sexual predators from participating in any parish or school ministry or event. If a criminal understands that they will have to undergo a background check, they will less likely attempt to volunteer.

The AOD uses *Virtus*, an online platform for all training, monitoring, and data collection.

Recertification is required for all existing volunteers and employees who completed *Protecting God's Children* (PGC) before January 1, 2020.

- Recertification must be completed by **November 1, 2023**.
- All 100,000+ AOD-registered Virtus users were sent an email (from Virtus) in late June and early July with links for recertification.
- If you did not receive an email about your recertification, log into your existing Virtus account. **You should not create a new account if you have taken *Protecting God's Children* in the past. If you do not remember your username or password, Virtus offers a username and password recovery option at bit.ly/Virtus_Account_Recovery.** If you have difficulties accessing your account, contact the Virtus Help Desk (helpdesk@virtus.org / 888-847-8870) or send an email to protectchildren@aod.org.
- Once you have logged into your Virtus account you should see the assigned training under the Home tab / Current Training.
- The self-paced modules (*Protecting God's Children* and *Vulnerable Adults*) are entirely online and take approximately 2.5 hours to complete.
- You can stop and start as you need to complete training at your convenience.

STUDENT CODE OF CONDUCT

At Immaculate Conception, every student has the right to study, learn, converse, and play in a community and environment that is safe, pleasant and conducive to academic and social maturation. The student who disrupts this atmosphere deprives others of the right to fair educational and social opportunity. Therefore, the following basic guidelines are stated here to aid students in their understanding of the school's expectations of acceptable behavior.

A student at Immaculate Conception Schools

- adheres to all school rules;
- comes prepared to learn, participate, and succeed;
- reports punctually to class with necessary materials, assignments, and supplies;
- values courtesy, honesty, industry, and integrity by setting a good example for others;
- shows respect for faculty, staff, classmates, and self through work, voice, attitude, and action;
- respects the rights and property of others;
- makes every effort to maintain a clean and safe school environment.
- shows courtesy to all visitors;
- participates in school activities, shows proper sportsmanship during athletic contests and other functions
- takes pride in every facet of his/her school – its scholastic rating, appearance, name and reputation, and its Christian philosophy.

ATTENDANCE

All students, Preschool and Grades K-8, must be in the building by 7:45AM. Students arriving late must report to the Main Office for admittance. Attendance will be taken in the classroom at 7:45AM. The school day begins promptly at 7:45AM and ends with dismissal at 3:15PM.

Students who are present for 4 hours or more are considered full day attendance.

Students present for less than 4 hours are considered half (1/2) day absent.

Regular attendance and punctuality are important. However, if a student shows signs of illness before leaving for school, it is wise to keep him/her at home to avoid exposure for the other children and eliminate becoming ill in the classroom. **Each day a student is absent, the parent must call the school no later than 8:00AM to report the absence and request homework, otherwise, a student will receive their homework upon their return to class.** The student is responsible for contacting each teacher to determine make-up work. After a contagious illness or 3 days of consecutive absence, clearance from a doctor is required for re-admittance to class.

Please Note: By law, schools are required to report cases of contagious illnesses to the Macomb County Health Department on a weekly basis. COVID-positive cases must be reported daily. Please leave a detailed message if your child has a contagious illness and may have been infectious during the school day. Written notification an illness has been reported will be sent home to inform all families of possible exposure to contagious diseases; for example: conjunctivitis (pink eye), lice, and chicken pox. Students will not be identified.

The information in this handbook is current as of press time.

IC Schools reserves the right to change or amend this handbook as necessary for the good of the school or as required by law.
Revised 5 February 2024

After a contagious illness, clearance from a doctor is required for re-admittance to class.

If children are showing signs of illness in the morning, it is wise to keep them home. This will avoid exposure to the other children and staff, and will reduce instances of a child becoming ill in the classroom.

Excessive, unexcused absences or tardiness may affect grades or lead to retention. Students may be retained if they do not meet all academic criteria for promotion or have exceeded allowable absences for the school year. **The maximum allowable days absent each semester are ten. More than ten absences per semester may result in a failing grade.**

Absences of over 20 days may result in retention and be reported to the County Truancy Department. Students absent from school on the day of a scheduled event such as: field trips, sporting events, or extracurricular activities, may not participate in the event.

Extended vacations taken during the school year, other than scheduled school vacation time, are strongly discouraged. Please remember that students are at a disadvantage by missing the interaction of class lessons and assigned work. No assignments will be given in advance of a preplanned absence. **Textbooks are not to be taken on vacation.** Work will be made up upon return and homework is posted daily on the class website.

To be excused from class early, a student must present a note from a parent to the teacher in the morning. Before a child can be excused from class the parent or guardian must report to the school office to sign the student out. A student who becomes ill while in school will be sent to the school office. The office will contact a parent. **Student use of cell phone for this purpose is strictly prohibited.** Leaving school premises without permission warrants a detention.

If it should be necessary to close the school because of weather conditions, parents will be notified by TEXT message through the Remind App, an announcement will be made over the local radio and TV stations, and posted on the school website and Facebook pages.

VIRTUAL LEARNING

IC Schools is in compliance with Archdiocese of Detroit policies and procedures regarding COVID-19. Updates and adjustments will be made as directed by the AoD, State of Michigan, Macomb County Health Department, and Centers for Disease Control (CDC). Virtual learning for IC students will be made available as necessary. Students utilizing virtual learning will be marked present if daily work is turned in.

LATE ARRIVAL

Late arrival is disruptive to the learning process; therefore, students are expected to be on time for class, in full uniform with supplies and books.

The information in this handbook is current as of press time.

IC Schools reserves the right to change or amend this handbook as necessary for the good of the school or as required by law.

Students and their parents are expected to comply with all stipulations made in the letter shared with parents and any additional requirements noted as a result of academic probation.

Written probation letters are provided as a warning that skills/scores are not at grade-level and IC Schools Administration may further advise all or part of the following:

- Student be placed in a grade level for a 4-week trial period, at the end of which, performance will be reviewed and the student may be moved to a more appropriate grade level, including a lower grade.
- Student did not demonstrate mastery of grade-level skills and should remain at current grade level rather than being promoted to allow for further development of skills.
- IC Schools Administration recommends the student remains at current grade level for another year.

A student whose skills are not at grade level and/or is failing will be evaluated and may be placed on academic probation. If a student is placed on probation, parents will be notified in writing. A meeting with the child's teacher/s and/or IC Administration may be required. An individualized improvement plan may be developed to establish guidelines to bring the student's overall performance to grade level. The plan may include recommendations such as, but not be limited to: after school academic support, directed study, tutoring, additional English language learning resources, or parent provided independent support. The parents are expected to monitor the student's progress through JupiterEd. The plan may be amended as needed while the student is on probation. Students who fail to rise to achieve academic progress may have their probation extended.

HONOR ROLL

The IC Academy Honor Roll is based on scholastic achievement and is computed at the end of each semester. Students with a scholastic average GPA of 3.1 to 3.5 in core subjects and an overall conduct grade of 2.0 in core subjects or better are entitled to be placed on the Honor Roll.

A student who maintains a scholastic average of 3.6 to 4.0 in core subjects with an overall conduct grade of 2.0 in core subjects will have earned High Honors. GPA in core subjects will be rounded to the second decimal.

Participation in athletics has no bearing on Honor Roll status.

NATIONAL JUNIOR HONOR SOCIETY

Selection to the NJHS is a privilege, not a right. Students who have earned a 3.3 GPA or higher in core subjects and no less than a 1.8 for a citizenship grade in core subjects are eligible for consideration for membership on the basis of community service (8 hrs. per year **in addition to** the 15 hours required for Academy students), leadership, and character in the Taras Shevchenko Chapter of the NJHS.

COMMUNITY SERVICE

A student is required to provide a minimum of fifteen (15) hours of documented community service during the time enrolled at the 6th-8th Grade **Academy**. Some suggestions include the following: Church acolyte or lector, hospital or senior volunteer. Service for personal gain, class requirement, or performed during detention is excluded from credit. The student is responsible for obtaining the proper documentation and signature on the required form and then submitting it to their Gr. 6, 7, or 8 homeroom teacher.

EDUCATIONAL FIELD TRIPS

Field trips of significant value are permitted and encouraged. Field trips supplement the instruction program by utilizing the educational resources of the community. In keeping with the class' instructional objectives, teachers in K-8 plan the place of the field trips. Participation in field trips is a privilege and can be denied to students who fail to meet behavior requirements.

As field trips are an extension and requirement of particular classes, all students are expected to attend. If a student is absent on the day of the field trip, trip fees will not be refunded as the fees are based on a specific number of students for class participation. Students who do not attend a field trip and remain at home with the parent will be marked absent for the day.

Parents will be informed through the use of a permission slip that must be signed and presented to the supervising teacher prior to the trip. All school rules of proper conduct apply to school-sponsored activities. The school dress code will be in effect for field trips, unless specifically noted.

DEFINITION OF TERMS

Behavioral consequences will be tracked throughout the full school year, not by marking period.

DEMERIT - A demerit is a written notification to the student and parent of an infraction. These will be signed by the parent, dated, and kept on file in the office. A detention will be issued when a third demerit is incurred for grades 3 – 8.

DETENTION - A detention is a written notification to the parent due to the accumulation of demerits or a major infraction of school rules. Detentions need a parent's signature and must be returned to the homeroom teacher the next day. Detentions will be served after school on an assigned day in the Aftercare room under staff supervision. A separate \$10.00 drop in fee will apply. If a student is already attending Aftercare, the special fee will be in addition to the Aftercare fee. Failure to comply will result in a rescheduled day within a 2-week period. Suspension will occur upon the issuance of a third detention.

SUSPENSION - Suspension is the temporary exclusion of a student from class, served in or out of school for a designated period, as determined by IC Schools Administration, depending upon the severity of the violation of school rules. Students are still responsible for all work; however, grades will be recorded as a 60%. Immaculate Conception Schools has the right to immediately suspend a student from school for any gross misbehavior. Parents will be notified when a student is to be suspended. A student will not be re-admitted to class until the parents have met with the principal.

CELL PHONE POLICY

Dear Parents,

Each year, teachers and administration have encountered instances of use and misuse of cell phones during school hours. Students called home, sent text messages during the day, and played with their phones when they thought no one was looking. In addition, pictures of students taken during school hours were appearing on social media. Not only does this take away from valuable learning time, it creates a very dangerous and frightening situation that could lead to trouble for students, parents, and the school.

In response, Immaculate Conception Catholic Schools developed a cell phone policy that requires students to submit their cell phones to their homeroom teacher at 8:00AM each day. They will place their cell phone in a specially designated holder. During the school day, cell phones will be kept in a secure area and returned to students at dismissal. In an emergency, a call may be made from the office phone. We will begin this procedure on Monday, 11 September 2023.

Students not in compliance with the policy will have their phones confiscated. The Parent-Student handbook clearly states that

Visible or audible cell phones during school hours will be confiscated and returned only to a parent.

Please complete the form below and return it to your child's homeroom teacher no later than Monday, 11 September 2023.

We thank you for your cooperation in this matter.

Sincerely,
IC Schools Administration

Both my student and I understand this policy. His/her phone will be turned into the teacher by 8:00A each morning and will be returned at dismissal. His/her phone number is:

My student does **NOT** have a cell phone/will **NOT** be bringing it to school.
